

December 2003

Commander's Corner

"Building a better tomorrow, today."

Dear Comrades,

Finally; we have an offer from the City! At our next meeting on December 10th we will review the city's offer with the members, and a vote will be taken as to build a new VFW club, or not. It is very important that you make it a point to attend this meeting. It does not matter if you are for, or against a new building, you have a voice in whatever goes on, and your vote counts. As for me, I feel that a new building is an important step in the future of the North St. Paul VFW. We have lost a great number of our older members, and haven't had new and younger members coming to replace them. Our current building is old, and will cost us a fortune to keep it in shape over time. Also, we need a new and bigger hall to attract larger weddings and sizeable group functions. This post meeting is one that you shouldn't miss.

Due to our Senior and Junior Vice Commanders resigning, over non-support of their school projects, we will have a special election to replace both vacancies. In addition, due to Jerry Nalipinski taking over the Quartermaster position, we must now fill the Chaplains office, as one person can not fill two seats on a meeting night.

Vote December 10th

Ken Peltier
Commander

Remember the children's Christmas party is coming up. I hope everyone will make an effort to bring their children and grandchildren to the party. The Post ladies put a lot of work into making these annual parties fun.

Last but not least, we will be raffling turkeys as door prizes at our December meeting. Please keep the Club in mind for holiday parties and get-togethers. If you need to reserve the Gold Star room, or down stairs, please give Shirley, the Bar Manager, a call as she would be glad to assist you.

I am looking forward to seeing you at the December meeting. Until then keep safe and have a **HAPPY HOLIDAY SEASON** no matter what star you follow.
